Invitation to Inaugural Lecture by John Bagterp Jørgensen

The Technical University of Denmark is happy to welcome Professor John Bagterp Jørgensen as professor in Model-based Control, at the Department of Applied Mathematics and Computer Science.

In celebration of this appointment DTU Compute invites you to attend John’s inaugural lecture followed by a reception.

Venue: Friday, 15 November, 2019 at 3 pm, building 101, 1st floor, room 1
Technical University of Denmark, Anker Engelundsvej 1, 2800 Kongens Lyngby

Programme:
3.00 - 3.10 pm Welcome by Per B. Brockhoff, Professor, Head of Department
3.10 - 3.50 pm Inaugural lecture titled “Model-based control – from industrial process optimization to new biomedical products”.
4.00 - 5.00 pm Reception

Everybody is welcome. Registration is not required.

Yours sincerely,
Per B. Brockhoff, Professor,
Head of Department, DTU Compute.
