Juan Maria Garcia Lastra and Thomas Sand Jespersen were appointed professors at DTU beginning of 2021, but the Corona pandemic postponed their inaugural lectures.

Now, we are happy to invite you to their inaugural lectures on Friday 14 January 2022 at 2.00-4.00 pm at DTU Lyngby Campus, Meeting Room 1 in Building 101.

After the lectures we will host a reception.
Yours sincerely, Søren Linderoth, Head of Department, DTU Energy
